

Best fruit pruning videos

<https://goodgardeningvideos.org/best-videos-of-winter-pruning-for-fruit-trees-and-vines/>

Here are the very best videos that horticulturist and YouTube-curator [Charlie Nardozi](#) found on winter pruning for fruiting plants. The comments about each video are his.

We thank all the Extension Universities, nurseries, growers and gardening media who created these terrific teaching tools and then made them universally available on YouTube.

Blueberries

- [“How To Prune A Blueberry Bush”](#) by the [U. of Maine](#). Nice comprehensive look at pruning established blueberry bushes.
- [“How To Prune A Young Blueberry Bush”](#) by [Useful Plants](#), a nursery in North Carolina. Nice, simple look at pruning a young blueberry plant.
- [“Dormant Pruning Of Southern Highbush Blueberry”](#) by [U. Georgia Extension](#). How to prune this Southern type of blueberry. Good look at tools, reasons why you prune and techniques.

Raspberries

- [“How To Prune Raspberry Canes”](#) by [Penn State](#). Nice quick look at pruning summer and everbearing raspberries in winter.
- [“How To Prune Raspberries”](#) by [Utah State University Extension](#). A Western look at pruning raspberries.

Grapes

- [“How To Prune Grapes”](#) by the [Dave Wilson Nursery](#) in California. Good video on cane and spur pruning technique for established grapes.
- [“How To Care For Young Grape Vines”](#) by the [University of Maine](#). Good video on pruning young grape vines.
- [“4-Arm Kniffin System For Growing Grapes”](#) by the [University of Maine](#). Good pruning system for home gardeners. This is the pruning system I use!
- [“Umbrella Kniffin System For Growing Grapes”](#) from the [University of Maine](#). Another grape pruning system to use for home gardeners.
- [“How To Prune Grape Vines”](#) by [GrowOrganic Peaceful Valley](#) in California. How to prune cordon, spur and arbor grown grapes.
- [“1st Winter Pruning Of Muscadine Grape Vines”](#) by [Ison’s Nursery and Vineyard](#) in Georgia. Simple look at pruning young muscadine grapes in the South.
- [“How To Prune Muscadine Grapes”](#) by [Useful Plants Nursery](#) in North Carolina. A look at pruning an overgrown muscadine vine.

Apple

- [“How To Prune An Apple Tree”](#) by [Utah State Extension](#). Simple look at pruning a young and middle aged apple tree to a modified leader system.
- [“How To Prune An Old Apple Tree”](#) by [Hilltown Tree and Garden](#) in Massachusetts. Good look at pruning tools and steps to bringing an old apple tree back into size and production.

Pear

- [HOW TO PRUNE A PEAR TREE”](#) by [Central Texas Gardener](#). Some basics on pruning young pear trees.

Apple and Pear

- [“How To Prune Apple Trees And Pear Trees”](#) from [GrowOrganic](#) in California. – Good general information on pruning and how to prune apples to a central leader system with information on spreading branches for better angles.

Kiwi

- [“How To Prune Hardy Kiwiberry”](#) by [Lee Reich](#). Basics on pruning established hardy kiwi vines.
